A full-page photograph of a woman with dark, curly hair lying on her back on a bed with light blue satin sheets and pillows. She is wearing a light pink, sheer, ruffled strapless bodysuit or lingerie piece. Her legs are crossed at the ankles, and she is wearing gold high-heeled sandals with a textured, possibly sequined, strap. Her arms are raised above her head, and she is looking towards the camera with a slight smile. In the top right corner, a bedside table with a lace cloth and a lit candle is partially visible.

'I like to act the part of a scarlet lady for my man – brazen and dominating! He likes me to take the initiative during sex, and give him a really good servicing. And I keep nothing from him, anything he wants, any act he wants me to perform, I'll make sure he remembers it for life. We only get one shot at life, so why not do whatever you do to the best of your ability? It can only make you both happier.' ♣
